The State of Infants & Toddlers in Morrow County

1,539 children three years old or younger

- Infants and toddlers living in poverty (defined as living at or below 200% of the Federal Poverty Guidelines—an annual household income of $51,500 for a family of 4) 1 in 2

- Eligible infants and toddlers living at 130% of the Federal Poverty Guidelines accessing publicly funded child care 15%

- Infants and toddlers receiving health coverage through Medicaid and Healthy Start 45%

- Of the 48 infants and toddlers accessing publicly funded child care, 9% are in high-quality programs (rated a 3- to 5-star in Ohio’s quality rating and improvement system, Step Up to Quality)

- Families with infants and toddlers receiving evidence-based home visiting services through the state funded Help Me Grow program 28

- 0-3 year olds receiving Early Intervention services 59

- This accounts for 25% of all kids in custody

- Kindergartners entering the classroom ready to learn 42%

- Economically disadvantaged kindergartners entering the classroom ready to learn 33%
